**Projected Date of Compliance** (must be prior to the beginning of the 2025-26 SY):

PPS will be in compliance for K-5 PE starting in the 2023-24 school year. All students will receive 90 minutes of PE per week from a licensed PE teacher. The remaining 60 minutes will be delivered by the homeroom teacher integrating transformative social emotional learning with structured movement. This plan was reviewed by Suzanne Hidde, ODE Manager of Health and PE. Next steps are for the PPS team to share alignment of the standards between Transformative Social Emotional Learning (TSEL) and structured movement PE standards by mid-August.

PPS will be in compliance for 6-8 PE starting in the 2025-26 school year.

**Progress Report:** List all actions taken over the past year (or more, if applicable) to move the district into compliance with the PE Requirements rule. Include dates and/or time period as appropriate, as well as results.

Over the course of the 2022-23 school year, PE teachers taught 90 minutes of PE to all students similar to previous years. New in 2022-23, was the practice of K-5 homeroom teachers across the district being expected to teach 15 minutes of structured movement throughout the week in order to get closer to compliance. As an 'add on', teachers struggled to include the structured movement into an already full schedule. Integration into already existing TSEL time will serve the dual purpose of integrating structured movement into an already established routine and lifting up TSEL integration into other content areas.
