

PPS is committed to providing all students with high-quality teaching and learning in every classroom, every day - instruction that helps them achieve our Graduate Portrait and closes persistent gaps in outcomes based on race.

In partnership with teachers, school leaders, and staff from across the district, we're taking several important steps to make this vision a reality for all students: calibrating around a new instructional framework that articulates a shared vision of highly effective teaching and learning, adopting new curricula to support that instruction, and offering improved professional learning experiences for teachers aligned to both.
