Dear Bridlemile Families,

I hope you all had a good week and are healthy and doing well during this challenging time. In this week's message I'd like to highlight a new resource made available to families from the state of Oregon as well as share our plans for 5th grade promotion.

In PPS's continued effort to prioritize Care, Connections, and Continuity of Learning for all students, the district emailed families earlier this week about the state's new P-EBT program: The Pandemic Electronic Benefit Transfer program. In short, this benefit helps families offset the cost of meals that would have been consumed at school. Please take a moment to read more on this program in the body of the Friday Flyer.

Teachers and I have ironed out details regarding our 5th grade promotion! Our 5th grade team, Ms. Maddy and myself will record our parting thoughts and best wishes to our wonderful group of 5th graders and make them available online, our 5th grade parents and staff will create a slideshow of our 5th graders most memorable moments at Bridlemile, and we'll conduct a drive through promotion (with appropriate social-distancing) to celebrate and recognize our amazing 5th graders. In order to comply with all social distancing measures we are asking 5th grade families to stay in their vehicles while driving through the parking lot and limiting attendance to 5th grade families and building staff. Here is the schedule for the event:

June 10th, 2020: 5th Grade Drive Through Promotion Event - Bridlemile Parking Lot

9:00 AM--Mr. Black's class drives through

10:00 AM--Mr. Beebe and Ms. Maddy's class drives through

11:00 AM--Mrs. Sumner's class drives through

I will continue to keep you posted on any new developments from the district as we approach the end of the school year. Please continue to take good care of yourselves. Also, be sure to reach out to your child's teacher or to our counselors if you need any assistance, guidance or resources to support your family with online learning and keeping connected with our Bridlemile community. Have a restful and wonderful weekend!

Warmly,
Brad Pearson

As our community deals with fallout of the coronavirus pandemic, we want to make Portland Public Schools families aware of a state benefit to help pay for food. The Pandemic Electronic Benefit Transfer program, or P-EBT, is available to help families offset the cost of meals that would have been consumed at school. It is administered by the Oregon Department of Human Services.

The P-EBT benefit is available to families with a student who qualifies for free or reduced-price meals and any student enrolled in a Community Eligibility Provision (CEP) school. For those families:

Households who qualify for the Supplemental Nutrition Assistance Program (SNAP), which offers food benefits to eligible, low-income
