

Where: Our LIPI program will be at Bridlemile and we will use room 7, room 6, the music room and room 15.

How: Any student or staff participating in LIPI must follow health and safety standards that reduce the risk of COVID transmission. Masks that cover the mouth and nose must be worn at all times. Social distancing will be required. Anyone experiencing symptoms of COVID or any other illness will not be allowed to attend until their symptoms are gone for a specified period of time. We will also be implementing health and safety protocols in the building such as health screenings, increased cleaning, and designated traffic flow patterns in the halls.

We know that this year has been challenging, to say the least. As plans evolve we will continue to update parents and families. We appreciate your patience and understanding as we finalize our plans in preparation for Limited In Person Instruction at Bridlemile Elementary.

Kind regards,  
Jerome Townsend- Principal
