

OSU Discover the Scientist Within February Workshop ([English](#)) ([Spanish](#))

graders who are unsure how to complete the forecasting. Please watch the tutorial videos provided and contact the LHS counseling team with any questions as you proceed with forecasting online as a family.

WSMS Foundation:

Please support our WSMS Foundation! Every contribution helps our school by allowing us to fund educational opportunities and events for your scholars! Please consider donating to WSMS Foundation to help support important instructional additions for our scholarsq0.00-3(o)- r2 comIngtchoo()]T.

Breakfast and lunches continue to be free for all scholars throughout the year. During lunches, scholars who want to remain indoors have indoor options for both eating and their free time. After eating, there are several alternate locations scholars may visit to spread out such as the library, the lower gym, classrooms for lunch clubs, and our outdoor patio spaces and field area. Regardless of the temperature, many scholars still feel most comfortable both eating outdoors and remaining outdoors throughout recess to engage in outdoor play. Please encourage your scholar to dress for the weather if they are choosing to play outdoors in colder temperatures. Understanding that there is not a one-size-fits-all approach to this unstructured lunch time, we are allowing scholars to choose indoors or outdoors, assuming that it is not pouring down rain.
