KAIROSPDX K-5

KairosPDX is a K-5 public charter school focused on delivering excellent, equitable education to underserved children, their families and their communities. Through innovative instruction, community collaboration, and family partnership we are focused on closing Portland's achievement gap in measurable and sustainable ways. We are focused on engaging and empowering children and families and redefining what is possible for low income children and children of color. Our curriculum involves children in culturally relevant, inquiry based instruction rooted in multicultural education, STEM instruction, and service learning. We strive to help kids become better thinkers, problem solvers and ultimately change makers.

PORTLAND ARTHUR ACADEMY K-5

Portland Arthur Academy is an academically-focused elementary charter school that seeks to accelerate achievement and learning for all of our students. We achieve daily success for every child through a highly organized incremental program. The skills taught are sequenced to maximize student success and minimize points of confusion. Using a highly researched direct instruction program gives our teachers the best tools possible to clearly communicate our academic message. This entails the students mastering their tasks daily before moving on to the next skill. Through our positive structured expectations, we create a safe, thriving learning environment for all students.

PORTLAND VILLAGE SCHOOL K-8

At the Portland Village School, we teach to the whole child. We like to say we teach to the "head, heart, and hands"--nurturing students' intellectual, physical, and emotional growth. Our core academic material is enlivened by music and singing, art, drama, second language, life skills and handwork. This comprehensive curriculum prepares students to meet the challenges of school and of life as productive and integrated human beings. We are pleased to offer Portland's diverse range of children and families this proven, holistic educational alternative.

THE EMERSON SCHOOL K-5

Parents play a key role in the school community, and families come from all quadrants of the city, creating a school culture that integrates, honors, and celebrates individual and community diversity. The integrated curriculum is developed to continually build on students' previous learning and experiences in a strong supportive community. Real-world problem solving, purposeful field studies, and student interest are combined with direct instruction in reading, writing, and math to create a strong and comprehensive curriculum.
