

3.50.020-AD Responsibility For Athletic Program

- (1) **Central Office Responsibility.** Since interscholastic athletic programs involve interschool relationships at both district and statewide levels, the office of superintendent and director of athletics, in consultation with building principals, shall establish the necessary guidelines for the proper conduct of these activities. In matters of interschool coordination, scheduling and budgeting, the director of athletics has primary responsibility.
- (2) **Local School Responsibility.** The building principal is immediately responsible for staffing, directing, and otherwise administering the athletic program in his/her school in accordance with district and OSAA rules.
