

**4.40.072-AD Student Freedom Of Expression – Implementation**

- (1) The principal shall establish school rules which:
  - (a) May limit the time of such distribution of material on school property, and circulation of petitions to periods before school begins, after dismissal, and during lunchtime where such limitation is necessary to prevent  

so as to prevent undue levels of noise and to prevent the use of coercion in obtaining signatures on petitions, and may establish reasonable requirements for removing litter which results from distribution of materials and circulation of petitions;
  - (d) Shall provide at least one student bulletin board of reasonable size;
  - (e) May require that material posted on bulletin boards be dated before posting and be removed after a reasonable time to assure full access to the bulletin board;
  - (f) May describe the manner of identifying the name and address of the individual or organization sponsoring the material, petition or notice;
  - (g) Shall prescribe methods to inform students of the Board policy and administrative guidelines;
  - (h) Will develop school guidelines in consultation with the student government.
- (2) Prior approval of materials to be distributed is not a requirement of the policy for which these guidelines are drawn, and school rules shall make clear that materials students wish to distribute do not carry the endorsement of sponsorship of the school.

- (4) The principal shall forward copies of school rules to the Director of Student Achievement and report to him/her from time to time respecting the implementation of the Board's policy.
