A period when you are absent from Active Work as part of a severance or other employment termination agreement is not a leave of absence, even if you are receiving the same Predisability Earnings.

b. During a leave of absence if continuation of your insurance under the Group Policy is required by a state-mandated family or medical leave act or law.

c. During the first 90 days of a temporary layoff.

d. During any other temporary leave of absence approved by your Employer in advance and in writing and scheduled to last 365 days or less. A period of Disability is not a leave of absence.

DEFINITION OF DISABILITY

You are Disabled if you meet one of the following definitions during the period it applies:

A. Own Occupation Definition Of Disability;

B. Any Occupation Definition Of Disability; or

C. Partial Plus Disability Definition.

A. Own Occupation Definition Of Disability

During the Benefit Waiting Period and the Own Occupation Period you are required to be Disabled only from your Own Occupation.

You are Disabled from your Own Occupation if, as a result of Physical Disease, Injury, Pregnancy or Mental Disorder, you are unable to perform with reasonable continuity the Material Duties of your Own Occupation.

Note: You are not Disabled merely because your right to perform your Own Occupation is restricted, including a restriction or loss of license.

During the Own Occupation Period you may work in another occupation while you meet the Own Occupation

During the Own Occupation Period no LTD Benefits will be paid for any period when you are able to work in your Own Occupation and able to earn at least 20% of your Indexed Predisability Earnings, but you elect not to work.

During the Any Occupation Period no LTD Benefits will be paid for any period when you are able to work in Any Occupation and able to earn at least 20% of your Indexed Predisability Earnings, but you elect not to work.

B. Return To Work Incentive

You may serve your Benefit Waiting Period while working if you meet the Own Occupation Definition Of Disability.

You are eligible for the Return To Work Incentive on the first day you work after the Benefit Waiting Period if LTD Benefits are payable on that date. The Return To Work Incentive changes 24 months after that date, as follows:

1. During the first 24 months, your Work Earnings will be Deductible Income as determined in a., b. and c:
    a. Determine the amount of your LTD Benefit as if there were no Deductible Income, and add your Work Earnings to that amount.
    b. Determine 100% of your Indexed Predisability Earnings.
    c. If a. is greater than b., the difference will be Deductible Income.
2. After those first 24 months, 50% of your Work Earnings will be Deductible Income.

C. Work Earnings Definition

Work Earnings means your gross monthly earnings from work you perform while Disabled, plus the earnings you could receive if you worked as much as you are able to, considering your Disability, in work that is reasonably available:

a. In your Own Occupation during the Own Occupation Period; and

b. In Any Occupation during the Any Occupation Period.

Work Earnings includes earnings from your Employer, any other employer, or self-employment, and any sick pay, vacation pay, annual or personal leave pay or other salary continuation earned or accrued while working.

Earnings from work you perform will be included in Work Earnings when you have the right to receive them. If you are paid in a lump sum or on a basis other than monthly, we will prorate your Work Earnings over the period of time to which they apply. If no period of time is stated, we will use a reasonable one.

In determining your Work Earnings we:

1. Will use the financial accounting method you use for income tax purposes, if you use that method on a consistent basis.
2. Will not be limited to the taxable income you report to the Internal Revenue Service.
3. May ignore expenses under section 179 of the IRC as a deduction from your gross earnings.
4. May ignore depreciation as a deduction from your gross earnings.
5. May adjust the financial information you give us in order to clearly reflect your Work Earnings.

If we determine that your earnings vary substantially from month to month, we may determine your Work Earnings by averaging your earnings over the most recent three-month period. During the Own Occupation Period you will no longer be Disabled when your average Work Earnings over the last three months exceed 80% of your Indexed Predisability Earnings. During the Any Occupation Period you will no longer be Disabled when your average Work Earnings over the last three months exceed 80% of your Indexed Predisability Earnings.

D. Family Care Expenses Adjustment

If you must pay Family Care Expenses in order to work, we will reduce the amount of the Work Earnings used in determining your Deductible Income, subject to the following:

1.

Predisability Earnings means your monthly rate of earnings from your Employer, including:

1. Contributions you make through a salary reduction agreement with your Employer to:

b. The Jones Act;

c. Maritime Doctrine of Maintenance, Wages, or Cure;

d. Longshoremen's and Harbor Worker's Act; or
