

presentation and idea generation; the project team will also facilitate discussion, record input, develop analysis and options for DAG meeting and public engagement.

The OSM project manager, as the District's primary point of contact for the project, will oversee DAG meetings and public participation events. All communication from DAG members outside of DAG meetings should be directed to the PPS project manager.

Project decision making will be the responsibility of the Office of School Modernization in collaboration with the District Leadership team. DAG members perform an advisory role only, and are not official District representatives.
