> If a household is Directly Certified, the application status will show 'Deleted'. A meal application is not needed and cannot be processed, so it is deleted from the system. A 2022-23 Direct Certification letter is sent via mail to the adult who qualified for the benefit (for example, the SNAP recipient). To receive a copy of the letter, contact the PPS Meal Benefits Office.
> If __ students in a household attend a Community Eligibility Provision (CEP) school, the application status will show 'Deleted'. A meal application is not needed and cannot be processed, so it is deleted from the system. To request a letter stating a student in the household attends a CEP school and receives meals at no cost, please contact the PPS Meal Benefits Office. This letter can be used to receive other benefits, like low-cost internet.
